Soft Skills

Creative Problem-Solving & Innovation

- Ability to find design solutions and bring fresh, trend-driven ideas to projects.

Collaboration & Communication

- Skilled at working in teams and engaging with others to achieve project goals.

Attention to Detail & Time Management

- Focused on quality and consistency while balancing multiple projects and meeting deadlines.

I'm Music Juntarattanakamol, a graphic and interactive designer with a passion for branding, motion graphics, and 3D rendering. I love creating engaging visuals and solving design challenges.

Experience

Media Designer

Operation Meraki (January 2025 - Present)

- Contributed to a social media campaign for Operation Meraki to increase awareness and engagement with veterans, their families, and supporters.
- Created campaign assets (social media visuals, infographics, videos) aligned with the brand's voice.
- Assisted with writing captions, CTAs, and designing a content calendar.
- Tracked performance metrics (KPIs) to measure success across platforms like Facebook, Instagram, and LinkedIn.

Volunteer

Fanshawe College

- Developed strong communication and interpersonal skills by engaging with diverse student groups.
- Enhanced problem-solving abilities by addressing student concerns and providing guidance.
- Strengthened adaptability and teamwork in a fast-paced environment.
